“George came when he said he would and returned every day until the job was complete. What a breath of fresh air!”

POWER WASHING SERVICES

Remove stubborn dirt, stains, mildew or chipping paint by power washing. We offer residential Power Washing services for the following:

- Vinyl Siding
- Cedar Siding
- Asphalt Roofing
- Wood Decks
- Brick and Cement
- Stairs and Walkways
- Fencing

In addition, we often recommend power washing as part of proper preparation for painting and staining of homes, decks and fences.

LIGHT CARPENTRY

It is common for wooden elements around the home to deteriorate when exposed to the elements or simply as the result of use. Proper repair or replacement is part of a complete home maintenance program. Olde Tyme stands ready to address your carpentry needs.

HANDYMAN SERVICES

With your hectic schedule, we realize that you don't always have the time or desire to handle your home maintenance projects. Whether it's replacing exterior trim, caulking, cleaning gutters, or dozens of other home repair and maintenance projects, you can rely on us to provide you with solutions for your home.

HOUSEHOLD ODD JOBS

Changing a light fixture, repairing a faucet and putting that closet pole back up are just a few of the things that we can be of service with inside your home. Driveway sealing, window washing and gutter cleaning are typical outside jobs.

Whatever the need, we can probably help. Call us today to discuss your home project.

We offer honest, reliable, quality service at competitive rates.
